Policy guidelines

The waiting list policy, as set out below, applies to the consideration of applications for P1 after the Open Enrolment procedure concludes.

Should a vacancy arise after the closing date, all applications for admission to P1 that were initially refused, new applications, late applications and applications where new information has been provided will be treated equally and the published criteria applied.

This waiting list will be applied until the end of June each year.

The school and/or Education Authority will inform you in writing if your child has gained a place in the school by this method.

Your child’s name will automatically be added to the list. Please contact the school if you wish your child’s name to be removed from the list.

Parents who wish their child to be considered for a place other than through open enrolment must register their interest in writing.
